- Some of the content I post on this website may be offensive in nature because I report on far-right extremists.
- My tweets are my own. I write them all by myself and I speak for myself.
- My opinions don't necessarily reflect the views of Southern Poverty Law Center.
- When I retweet something, I don't necessarily endorse the account who produced the tweet or what the tweet is saying.
- The same thing can be said about the people I follow and the people who follow me. I don't necessarily endorse anyone on this website.
- I frequently use "likes" to bookmark tweets. My Twitter likes should not be viewed as an endorsement of any particular statement or ideology.
- Don't mistake anything I post to be done in anything but good humor.
- If you reach out to me with a tip, please understand I get a lot of them, and I'm very busy. I try to respond to everyone.
